Introducing the

*The best selling signature Dry Herb Vaporizer
enhanced with Hybrid Heating Technology.*

The G Pen Dash+ combines the favorite form factor of the popular Dash with the functionality of the flagship Elite II. It features conduction and convection heating combined with a spiral ceramic air path and a titanium heating chamber for unsurpassed flavor and vapor production from your favorite dry herb. Slightly larger than the Dash with a more personal chamber size than the Elite II, the Dash+ features an upgraded magnetic mouthpiece and USB-C charging.

- 
- Titanium Heating Chamber
 - Hybrid Heating (Conduction / Convection)
 - Precise Temperature Control between: 320° - 430° F (160° - 221° C)
 - Full-Color LED Display
 - Magnetic Mouthpiece with Spiral Ceramic Air Path
 - Zinc-Alloy Casing
 - USB-C Charging
 - 1800mAh Lithium-Ion Rechargeable Battery

CONTENTS:

- 1 G PEN DASH+ VAPORIZER (FOR DRY HERB)
